BRIEF ABSTRACT OF LETTER

Requests orders to delegate certain Powers to him
Commissioner, C.C.B. under the Cattle Trespass
Act, 1871

NOTES AND ORDERS

Submitted.

The Commissioner C.C.B.
has sought orders of Government for delegating
the following Powers to him under the Cattle
Trespass Act 1871

(a) To Delegate the Powers now Vested in the
District Magistrate to him under Sections
10, 5, 6, 12 14 and 17 of the Cattle Trespass Act

(b) To authorize under Section 31 (b) to credit the

(c) To provide for Payment of Rewards

(d) To regularise the action taken
so far for the ^{date of} ~~exception~~ emergency
of Corporation (8-12-49)

(e) To empower the Commisars to
fix suitable rates for feeding and watering
the impounded cattle and to alter
the rates whenever necessary

delegation of Power the only authority
Competent to exercise the Powers
under the Act is the District
Magistrate Section 31 empowers Government
to transfer to any local authority any
the functions of Government but the
Local authority is Corporation and the
Commisars is not the Local authority
Hence the Power asked for by the

8) The Commissioner C.E.B.
has sought sanction of Government to delegate
Certain Powers as asked at Para 1
under the Cattle Trespass Act 1871
His request has been supported by the
Corporation Resolution dated 21-12-54
The point is whether such a delegation
is permissible under the Act & it is
permissible under S 31 of the Cattle Trespass Act
Government is competent to delegate all or any
of the functions of the Government or the
Magistrate to any local authority

9) Under the Corporation Act
1949 the Municipal authorities charged
with carrying out the provisions of the
Corporation Act are:- (vide S 4)

- (a) a Corporation
- (b) Standing Committee of the Corporation
- (c) a Commissioner

The Cattle Trespass Act empowers Government
to transfer the functions to any local authority
Can the Commissioner C.E.B. be treated as
a local authority, as recognised by the
Corporation Act, for purpose of delegating
the functions? This point needs clarification
by the Law Department for orders

Para 17 does not meet the point
raised by me in para 15 above, the
the Corporation has to see that the power
delegated by under the C T Act is exercised
by the Chief Executive, or a, the Commission,
in virtue of Sec 9 of the Companies
Act. Para 18 as I read that Secs relating
to the powers of the Commission, I am
not doubtful if he can function under
the C T Act by means of an authority
to be vested in him in this behalf
by the Corporation, which alone is
recommended by delegations under the
said Act by the Secs as para
12. The matter as to how the Corporation
can implement the provisions of the
C T Act may kindly be examined &
remarks should be made to avoid
confusion in future.

SIR

C M 8654-7

Subject - Mysore Cattle Trespass Act 1871 as modified
up to 1st March 1949 - Delegation of Powers
to the Commissioner of the Corporation of the
City of Bangalore under Section 31(a) of the
said Act

I write to state that there have been variations in practice in regard to (1) the levy of fines on impound animals, (2) feeding charges and (3) payment of rewards, between the Civil Station and City areas of this Corporation

The rates of fines imposed on impounded animals in the Civil Station areas up to the date of the Government Notification No L 5865/C M 27-52-101 dated 18-8-1953 were as follows -

	<u>Day rate</u>	<u>Night rate</u>
1 Camel or Buffalo	0-8-0	1-0-0
2 Bullock or cow	0-4-0	0-8-0
3 Sheep or goat	0-3-0	0-3-0
4 Calf or ass	0-2-0	0-4-0
5. Horse or pony	0-4-0	0-8-0
6 Dog		
Without license	3-0-0	- - -
With license	1-0-0	- - -

But after the receipt of afore-said Government Notification dated 18-8-1953, a uniform rate of fine for both day and night are being levied as follows in both the City and Civil Station areas

1 Cow or bull, bullock, horse or mare	Rs 1-0-0 per day
2 Buffalo	2-0-0 "
3 All kinds of Calves	0-8-0 "
4 Sheep, Ram, lamb or goat	0-4-0 "

p t o

The feeding charges of impounded animals in the City and Civil areas have been as follows -

		<u>Civil area</u>	<u>City area</u>
1	Buffalo per day	0-9-0	0-4-0
2	Bullock or cow . "	0-7-0	0-3-0
3	Ass or calf . "	0-3-0	0-2-0
4	Pony . "	0-4-0	0-3-0
5.	Horse "	0-6-0	0-3-0
6	Goat or sheep . "	0-1-0	0-1-0

It will be seen that the City rates of feeding charges are less than the Civil area rates. The impounded animals of Civil area are given three feeds every day, whereas only one feed is given in the City area. It is absolutely necessary that the animals of the City area also are given three feeds a day and the feeding charges of the City area per day may be enhanced to the rates that are existing in the Civil Station area so that it would facilitate to keep the animals in good condition and also attract the public to offer higher bids when put to auction in the event of no claimants for these animals are forthcoming.

The rates of rewards that are being paid to the public who got the animals impounded in the City and Civil Station areas are also differing as follows -

	<u>City rates of reward</u>	<u>Civil Station rates of Reward</u>
1 Buffalo	0-8-0	0-4-0
2 Cow or Bullock	0-4-0	0-2-0
3 Calf or Ass	0-2-0	0-1-0
4 Goat or sheep	0-1-0	0-1-0
5 Pony or horse	- - -	0-2-0

This difference in the rate of rewards has to be removed and uniform rates have to be adopted preferably the City rates.

At present there is no Government Notification empowering the Corporation Commissioner to exercise the powers and functions of a District Magistrate under the Cattle Tress Act as modified up to 1st March 1949.
